Step 2: Advice fees

Choose your fee option. Fees should be provided including GST. Blank boxes will default to nil.

- The default value for each advice fee is 0% or \$0, unless you agree and specify otherwise below in conjunction with your financial adviser.
- Advice fees can only be deducted from your super / pension account if they relate to advice you receive about your super or pension benefits, insurance and investments.
- Advice fee(s) paid to your financial adviser and their Licensee (and quoted in this section) are inclusive of GST.
- The actual amount deducted from your account may be less than the amount quoted. This is because the Fund may be able to claim a reduced input tax credit (RITC) on some of these fees. Where the Fund is able to claim an RITC the benefit is passed on to you which effectively reduces the fee. Note that the RITC rules are subject to change and this may impact the RITC available in the future.
