Please complete these instructions in BLACK INK using CAPITAL LETTERS (except for your email address) and ✓ boxes where provided.

This form is for **existing members only**. For new members, please complete a New Member Investment Authority which is available from our website or by contacting our Client Services Team.

Use this form to:

- switch between being a MySuper member and a Choice member (Alternatively use the MySuper opt-out on IOOF Online)
- switch between existing investment options or re-weight your investment portfolio
- change your Standing Instructions, or
- set an Automatic reweight instruction to your portfolio.

Please note that when changing investment options you will not necessarily have the most recent product disclosure statement for that investment option and accordingly may not have information about material changes and significant events affecting that investment option. You can obtain a product disclosure statement from [www.ioof.com.au](http://www.ioof.com.au) or your licensed financial adviser.

To ensure the investment option selections are listed correctly please add the APIR code along with the name of the investment option. Please refer to the IOOF investment menu list for available APIR codes.

Please tick this box if you are classified as a MySuper member and wish to opt-out of MySuper and become a Choice member.  
Please note that if you do not complete Step 6 to update your deposit instructions, all deposits will remain in the Cash Account.

**Please note:** This action will result in you becoming a Choice member and gives you access to the Core and Full Investment Menus and will also result in Choice fees applying. Please refer to the PDS for further information.

### Step 3: Pending transactions

To provide you with an efficient service we will not wait for pending transactions to complete before we process your instructions. If you have a pending transaction (a redemption or purchase) currently in progress at the time we receive new instructions (Step 4: Investment redemptions or Step 5: Investment purchases) it may result in a variance to your instruction and your request may not be fully completed. This may result in a balance remaining in an investment where you intended to redeem 100 per cent.

By ticking the box below you can instruct us to wait for all pending transactions on investment options included in your new instructions to complete before we process your instructions.

I acknowledge my request will not be actioned until all pending transactions on investment options included in my new instructions are completed.

- If you only want to **switch investment options**, please complete Steps 4 and 5.
- If you only want to initiate a **Deposit Instruction**, please skip to and complete Step 6.
- If you only want to initiate an **Automatic Re-weight Instruction**, please skip to and complete Step 7.

### Step 4: Investment redemptions

#### Managed investment options

Please specify either a percentage, unit or dollar allocation. Unless otherwise stipulated, we will process the switch as a dollar value. If you wish to sell a specific asset and use the proceeds to purchase another asset, indicate this by placing corresponding numbers in the boxes provided. When not specified, we will sell all assets detailed in Step 4 and use the proceeds as per the instructions in Step 5.

**Please note:** Your Deposit Instruction and Cash Account preferences will not be automatically updated to reflect the purchase or redemption of a managed investment option from your account. If you want to change your Deposit Instruction and/or Cash Account preferences, please ensure you complete Steps 6 and 8 respectively.
