Investment Instruction

Please complete these instructions in **BLACK INK** using **CAPITAL LETTERS** and boxes where provided.

Use this form to:

- switch between existing investment options or re-weight your investment portfolio;
- change your Standing Instructions; or
- set an Automatic re-weight instruction to your portfolio.

Please note that when changing investment options you will not necessarily have the most recent product disclosure statement for that investment option and accordingly may not have information about material changes and significant events affecting that investment option. You can obtain a product disclosure statement from www.ioof.com.au or your licensed financial adviser. To ensure the investment option selections are listed correctly please add the APIR code along with the name of the investment option. Please refer to the IOOF Essential investment menu list for available APIR codes.

Step 1: Client details

Account name

Please refer to the below summary as a guide to which sections you may need to complete:

Step 2: Pending transactions

Step 3: Investment redemptions

Step 4: Investment purchases

Step 5: Deposit Instruction

Step 6: Re-weight portfolio (including establishing an automatic re-weight facility)

Step 7: Cash Account preferences

Step 8: Income Preferences

Step 9: Client declaration and signature(s)

Step 2: Pending transactions

To provide you with an efficient service we will not wait for pending transactions to complete before we process your instructions. If you have a pending transaction (a redemption or purchase) currently in progress at the time we receive new instructions (Step 3: Investment redemptions, Step 4: Investment purchases or Step 6: Re-weight portfolio) it may result in a variance to your instruction and your request may not be fully completed. This may result in a balance remaining in an investment where you intended to redeem 100%.

By ticking the box below you can instruct us to wait for all pending transactions on investment options included in your new instructions to complete before we process your instructions.

I acknowledge my request will not be actioned until all pending transactions on investment options included in my new instructions are completed

Step 5: Deposit Instruction

Please advise us of your Deposit Instruction.

100% Cash Account

OR

Deposit Instruction (please complete section below)

Please note:

- Please ensure that the Deposit Instruction includes at least the default minimum allocation of 1% against the Cash Account. The percentages allocated to the Cash Account and your selected investment option(s) must add up to 100%.
- For a full list of investment options available for selection within IOOF Essential go to our website to view the **IOOF Essential investment menu** and list your selections in the space provided.
- To ensure the investment option selections are listed correctly please add the APIR code along with the name of the investment option.

APIR Code	Investment option	Allocation (%)
	Cash Account (Mandatory)	
	Total (must = 100%)	

Step 6: Re-weight portfolio

Please specify the type of re-weight you wish to occur.

One-off re-weight

OR

Automatic re-weight facility

OR

Re-weight now and update Automatic re-weight instruction

If establishing an Automatic re-weight facility please specify the re-weight frequency and commencement date.

Step 7: Cash Account preferences

Cash Account limits

You must maintain a minimum percentage allocation to the Cash Account.

Please specify one of the following options:

Cash Account minimum of 1% (default option)

OR

Cash Account percentage nominated in your Deposit Instruction

OR

Custom Cash Account minimum of %

Cash Account cap (optional)

You may also nominate an optional dollar based cap on the amount held in your Cash Account in addition to your nominated Cash account limit above, subject to a \$5,000 minimum.

To set a Cash Account cap, please specify the amount here \$

Cash Account top-up

If the balance in your Cash Account is zero or below, the Trustee / Service Operator will top up the balance to the lower of:

- your selected Cash Account limit; or
- the Cash Account cap.

We will top up your Cash Account balance by redeeming the necessary amount from your managed investments (without prior notice to you) in accordance with the method you have selected below:

Pro-rata (default option) – Redeem funds across all managed investments according to the proportion of the portfolio that they represent.

OR

Redemption instruction – percentage – Redeem funds from specified managed investments according to the percentage allocation nominated below.

OR

Pecking Order – Redeem funds from my managed investment(s) according to a prioritised list specified below.

If you don't indicate a top-up method, the default option of pro-rata will be applied.

Redemption Instructions – percentage and pecking order.

Please note:

- The percentages allocated to your selected investment option(s) must add up to 100% not including the Cash Account.
- To ensure the investment option selections are listed correctly please add the APIR code along with the name of the investment option

Step 8: Income preferences

I direct the Trustee/Service Operator to manage income distributions that I receive from managed investments as follows:

Re-invest (default option) – Re-invest 100% of the income distributions back into the same managed investment that made the income distribution.

OR

Retain in Cash Account – Leave all income distributions to accumulate in my Cash Account.

OR

Income Instruction – percentage – reinvest the income into the managed investments selected below.

If you have selected the Income Instruction – Percentage, please specify which managed investments are to be used and the respective allocations. Please ensure that the Income Instruction does not contain listed or maturing investments.

If you don't indicate your income preference, the default option of re-invest will be applied.
