Step 11: Fees for financial advice

Section A: Fixed Term Arrangement (FTA)

Please complete this section if you wish to enter into a fixed term arrangement for the following fees:

- Member Advice Fee
- Member Advice Fee Insurance

Fixed Term Arrangement is for fees that cover a twelve month period or less. The form must be signed within 90 days of the start date. If the supplied start date is in the past, the date will default to the date the application is processed.
Important note: An account can have only one FTA at any time. A new FTA will supersede any existing FTA.
You cannot elect to have an Member Advice Fee – Upfront if you have agreed to have an Member Advice Fee on an FTA.
1 Please provide the Start date and End date of the FTA:
Start date
End date
2 Complete the relevant section in Section B that forms part of the FTA.
Section B: Member advice fees
 IOOF Investment Management Limited (IIML), as trustee of your super fund, is required to obtain specific written consent before a fee for financial advice can be deducted from your account. You are not under any obligation to consent to the fee being deducted.
 You may revoke your consent at any time by contacting IIML via the options at the end of this form. Once your consent is revoked, no further fees will be deducted from your account however any amounts paid before you revoke your consent will not be automatically refunded.
 The default value for each member advice fee is 0% or \$0, unless you agree and specify otherwise below in conjunction with your financial adviser.
 Member advice fees can only be deducted from your super account if they relate to advice you receive about your super or pension benefits, insurance and investments.
Where you agree to a member advice fee, please ensure you sign the 'Member advice fees' declaration in Step 15.
 The member advice fee(s) paid to your financial adviser are inclusive of GST. The actual amount deducted from your account may be less than the amount quoted. This is because the Fund may be able to claim a reduced input tax credit (RITC) on some of these fees. Where the Fund is able to claim an RITC the benefit is passed on to you which effectively reduces the fee. Note that the RITC rules are subject to change and this may impact the RITC available in the future.
For further information on advice fees, please refer to the Product Disclosure Statement.
Consent End Date
If you are selecting a Member Advice Fee – Ongoing, Member Advice Fee – Upfront or Member Advice Fee – Insurance please provide your consent end date below:
Consent end date (required)
The consent end date is the date when all ongoing advice fees will end if we have not received your consent to continue. Your consent to an ongoing fee arrangement ends 150 days after the next appiyers ary date.

- The Investment Instructions provided in this form override any previous Investment Instructions.
- My main Investment Instruction will be my Primary Instruction and will be used for my initial contribution and all additional contributions (less any Member Advice Fee – Upfront) and income distributions (if applicable), unless I provide the Trustee with alternate instructions. I understand that this does not apply to the transfer of investments from any existing account within the IOOF Pursuit or IOOF Portfolio Service product suite.

Restricted investments

- I acknowledge that if I make an investment in an investment option that is designated as a restricted investment (in the investment menu as updated on the IOOF website), I have been informed that:
 - the Trustee is not required to transfer the whole of my withdrawal benefit (or a partial amount requested to be transferred) within 30 days after receiving all information prescribed by Super law (including all information that is necessary to process my request)
 - the reasons why an investment is illiquid is due to the underlying fund manager imposing withdrawal restrictions or having the ability to extend the withdrawal period in certain market conditions

- the maximum period in which a transfer must be effected is the period set out in the underlying product disclosure statement for the restricted investment which may be up to 365 days for some restricted investments.
- I understand and accept that a period longer than the 30 days mentioned above is required (possibly in respect of the whole of the requested transfer amount) because of the illiquid nature of the investment.

Product disclosure statements for managed investment options

- I have received (either from the IOOF website or from a financial adviser), read and understood the current product disclosure statement(s) of the underlying managed investments I have selected.
- The Trustee provided me with the product disclosure statement(s) for the underlying managed investments I have selected via the IOOF website and I agree to receive these product disclosure statement(s) by obtaining them from the website.
- I may not have the most current product disclosure statement and continuous disclosure information for a managed investment when switches and/or further investments are made into the Fund.

Investment options

- If I choose not to acquire the services of a financial adviser, I
 understand the risks and effects of this investment and take full
 responsibility for my choice of investment options.
- I acknowledge that certain investment options are only available if I am a client of a particular financial adviser or AFS Licensee, and if I cease to be a client of that financial adviser or AFS Licensee, I will not be able to make any new investments into those exclusive investment options (see the notes to the Investment Options Menu in the IOOF Pursuit Select investment guide (PSI.01) for information on these exclusive investment options).

Direct Share Choice

I have read, understood and agree to be bound by the terms and conditions, investment limits, order rules, dividend reinvestment plan and corporate action requirements and other listed investments information set out in the IOOF Pursuit Select investment guide (**PSI.01**).

- I have received (either from the IOOF website or from a financial adviser), read and understood the current product guide and any supplementary product guide for the relevant product or service, and the current product guide statements of the underlying term deposit I have selected

 I acknowledge that where this Investment Instruction for a term deposit is made at the same time as a new application for an IOOF product or service, this Investment Instruction will be processed before any other Investment Instruction relating to my new account is processed.

Portfolio Management fee (applicable to clients when using the Managed Portfolio Service only)

- The amount of any Portfolio Management fee that is paid
 to the managed discretionary account operator, Managed
 Portfolio Services Limited, as agreed by me separately in the

- it is my responsibility to inform my nominated Dependants that I have provided their personal information to the Trustee and to refer them to the Trustee's privacy policy.
- I can revoke my nomination at any time in accordance with the Trustee's procedures.
- the revocation of my nomination will take effect when it has been received and accepted by the Trustee (applicable to revocation only).
- once my nomination is revoked, I will no longer have a valid Beneficiary Nomination unless I provide new Beneficiary Nomination Instructions (applicable to revocation only).
- if I do not have a valid Beneficiary Nomination in effect at the date of my death, the Trustee must pay my benefit in accordance with the rules set out in the Fund's Trust Deed (as amended from time to time). Applicable to Binding Nomination only

- 100% of my benefit must be allocated (the entire nomination will be invalid if the allocation does not equal 100%).
- I must sign and date my nomination in the presence of two witnesses both of whom are at least 18 years of age and not nominated to receive my benefit.
- my nomination will expire three years after the date it was first signed, or last confirmed or amended (Confirmation of Binding Nomination form available from our website).

FORM F – Application for Insurance

Incorporates personal health statement

This form should also be used to apply for or change any existing insurance you may have EXCLUDING any retail insurance cover. To apply for or vary any retail insurance cover, you must contact your financial adviser.

Please complete these instructions in BLACK INK and ✓ boxes where provided.

Step 1: Applicant details

Account number (if known)											
Title (Dr/Mr/Mrs/Ms/Miss)		Su	ırname								
Given name(s)											
Email											
Date of birth	/	/		·			Geno	der _	Male	Fema	ale

Your duty of disclosure

Before you enter into a life insurance contract, you have a duty to tell the insurer anything that you know, or could reasonably be expected to know, may affect their decision to insure you and on what terms.

You have this duty until the insurer agrees to insure you.

You have the same duty before you extend, vary or reinstate the contract.

You do not need to tell the insurer anything that:

- reduces the risk they insure you for;
- is common knowledge;
- they know or should know as an insurer;
- they have waived your duty to tell them about.

If you do not tell the insurer something

In exercising the following rights, the insurer may consider whether different types of cover can constitute separate contracts of life insurance. If they do, they may apply the following rights separately to each type of cover.

If you do not tell the insurer anything you are required to, and they would not have insured you if you had told them, they may void the contract within three years of entering into it.

If the insurer chooses not to void the contract, they may, at any time, reduce the amount you have been insured for. This would be worked out using a formula that takes into account the premium that would have been payable if you had told them everything you should have. However, if the contract has a surrender value, or provides cover on death, the insurer may only exercise this right within three years of entering into the contract.

If the insurer chooses not to void the contract or reduce the amount you have been insured for, they may, at any time vary the contract in a way that places them in the same position they would have been in if you had told them everything you should have. However, this right does not apply if the contract has a surrender value or provides cover on death.

If your failure to tell the insurer is fraudulent, they may refuse to pay a claim and treat the contract as if it never existed.

If any of the answers you give can save delays in finalising yo	in this application are unclear to us, we would like to be able to clarify them with you over the telephone, as this ur insurance.
