Investment limits on IOOF LifeTrack IDPS product

Remove the below Investment Limits section on page 2 of the IOOF LifeTrack investment guide. These investment limits no longer apply.

'In order to maintain liquidity and diversification in your account, we set limits on the amount of your account balance which can be allocated to particular options. The limits are set out in the table below and are only assessed at the time an investment is made.

We will not monitor these limits on an ongoing basis and will generally not sell down investment options if these limits are exceeded, other than where necessary to maintain liquidity in your account or for any other reason where we determine the sale to be in your best interests or the best interests of the Service as a whole.'

Investment option	Investment limit
Restricted investments	30% of your account balance in each investment option or in each Investment Category, with not more than 70% of your account balance invested in restricted investments.
Term investments	95% of your account balance.
Listed investments	30% of your account balance in each listed investment, with not more than 95% of your account balance invested in listed investments.

In addition, any combination of the above investment options must not exceed 95 per cent of your account balance.

Cash Account enhancements

Following a recent review of the platform Cash Account, IOOF Investment Management Limited (IIML) as Trustee has decided to make some enhancements to the Cash Account's underlying investment exposure, to provide further diversification benefits.

The Cash Account is currently invested in an operating bank account (for day-to-day transactions) and the IOOF Cash and Income Fund (ARSN 087 727 277). Effective from 18 June 2016, the Cash Account will expand its exposure to also include investment in the Cash Management Fund (ARSN 089 508 636) – IIML is the Responsible Entity of the Cash Management Fund).

The estimated indirect management cost of Cash Account is expected to remain equivalent to its current fee.

15 June 2016

Change in the surplus cash feature

Replace the paragraph under **Surplus Cash** on page 13 of the IOOF LifeTrack PDS with the following:

We will review your Cash Account on or around the 15th day of each month. If your Cash Account exceeds your minimum balance plus \$200, we will invest the excess according to your Standing Investment Instruction (see page 17) if you have provided one. The excess (if applicable) will normally be invested within 5 business days following our review of your Cash Account balance.

7 August 2015

Additional information regarding term deposit early redemption

Replace the paragraph under **Early redemption** on page 16 of the IOOF LifeTrack investment guide (LTR.10) with the following:

'We have the right on your behalf to redeem a term deposit early where your account has insufficient funds to meet required payments from the Cash Account. Depending on the terms and conditions of the term deposit, there may be a delay of up to 31 days in obtaining the funds when redeeming early from a term deposit. This may also result in the term deposit interest rate being reduced.'
